Tony DiCicco

My wife Karen and I use Antren as our Kennel name. We have been involved with Rottweilers since 1979. We have bred 10 litters and co-bred 3 litters in that time frame. Over the years we have owned, bred and co-bred over twenty champions.

I co-founded the Greater New York Rottweiler Club and served as President three times. I was president of the Colonial Rottweiler Club two times for a total of 8 years. During my time as president, I was influential in formulating a Sieger show event at our Specialty.

I am also a member of the American Rottweiler Club and was on the committee that was in favor to allow Rottweilers with tails to participate at AKC events. I was involved in the committee that presented the first ARC Sieger Show.

I have traveled to Europe to attend Sieger Shows in Germany & Switzerland. I also attended two World Schutzhund Championships. I attended the 1993 IFR conference where tails were presented to the countries present.

I have been a licensed AKC Rottweiler Judge since 1999.

About Zooza

We started Zooza with the goal of making it more fun to do more things with your pets. After all... *Life is Better With Animals*, right? Maybe you've experienced the hassle of getting copies of vet records for that last minute stay at a boarding facility; or, maybe you've tried to enter a dog or cat show and found out how much time it takes to complete the paperwork, find registration certificates, and chase down sire and dam information. As long-term owners of animals ourselves, we found the same thing! Zooza is the one place you need to keep all the information about your pets so that it's available anytime, anywhere, and to anyone you chose. We get rid of the hassles and fuss by using what is called "cloud computing" to store and manage your pets' data. Put it into Zooza once, and then we'll make it easy to use it for that next trip to the veterinarian, reserving a spot at a boarding facility, entering an obedience class, and more. Zooza truly does make life better with animals, and our pledge is to keep that moto at the center of our culture.

In order to enter the Sieger or Champion class the dog must be a Champion of a country. We accept ARV and USRC National Siegers. No regional or club Siegers. If your dog or bitch has acquired the title of AIRK Sieger or Siegerin you must pick up your certificate from the show secretary. You will need it at your next show. Remember, once a Sieger, always a Sieger. That is the only class that dog may now be entered in.

Best Puppy will come from the 4-6, 6-9 & 9-12 month class.

Youth Sieger will come from 12-18 & 18-24 month class

Only adults (over 12 months) can become Sieger or Siegerin-this includes the Veteran class.

Working Class: Dogs & Bitches over 24 months of age with a working title. This title must represent an "assistance to mankind" *

Gebrauchshund Class (if offered): Must have a Schutzhund title. Sch. Titled dogs may be entered in the Working class if you do not offer a Gebrauchshund class.

Veterans class: must be seven years of age.

Non regular classes include Kennel Class – Stud Dog Class & Brood Bitch Class.

Kennel Class: A minimum of three dogs representing the kennels breeding program. Must include progeny from two different litters & must be entered in regular classes.

Stud Dog Class: Three progeny from two different litters. Progeny must be entered in regular classes.

Brood Bitch Class: Two progeny from two different litters. Progeny must be entered in regular Classes. (Note that it is not necessary for the Stud Dog or Brood Bitch to be entered in the regular class.)

For the ZTP. Dog must have a BH, Tattoo, hip certification and original pedigree.

After 30 months of age "pending" will not be allowed concerning hip ratings. The dog must either have a number or a 0 will be used.

No critiques will be given (either orally or written) unless the dog competes in the class.

*Most working titles qualify; however titles such as CGC's, PT, HIT and all Agility titles do not.
